SCHULEN IM  
ERZBISTUM HAMBURG

## Checklist – returning to school during the Corona pandemic

- Schooling during the Corona pandemic means we have to be patient and cautious.
- Children no longer have to keep 1.5m from pupils in their own class but should still avoid direct contact e.g. no hugging.
- If you have a fever and/or a cough you are not allowed to come to school.
- We still adhere to the AHA-rule (**A**bstand – keep our **d**istance, **H**ygien e – adhere to **h**ygien e practices, **A**lltagsmasken – wear **f**ace **m**asks).
- Arrive at school **in time** for lessons but **do not arrive too early** – this way we can avoid congestion.
- If you are a **pre-school or junior school pupil** wait for your teacher at your **collecting point**.
- Keep your distance from pupils from other classes.
- If you are a secondary school pupil use the **main entrance** on Bonifatiusstraße (opposite the church) and go and sit at your desk in your classroom.
- Please keep to the one-way system in “House Schlüssel”. Read the **signs** and **notices** carefully and follow the **markings on the floor**.
- Move quickly on the stairs and keep your distance.
- Pupils from year 5 and above wear a **face mask** when they are not in their classroom. We also request that junior school pupils wear face masks when they are in the corridors. You should still make sure you keep your distance (1.5m).
- Only **one person** at a time may use the **toilets**. Use the sign that you will be given in your class. If the toilet is occupied keep your distance and wait.
- During break you should keep to the **part of the playground** that has been allocated to your class.
- Parents say goodbye to their children at the school gate and as far as possible do not enter the school grounds.

-----  
We have read and discussed the checklist.
