SCHULEN IM
ERZBISTUM HAMBURG

Hamburg 5th August 2020

Dear parents,
Dear pupils,

Schools in Hamburg are responsible for ensuring that Corona virus does not spread within the schools. For this reason, pupils who returned from an international risk area after 22nd July are not allowed to enter the school grounds until they have been in quarantine for 14 days. International risk areas are those areas included in the list compiled by the Robert-Koch-Institute. Among others are Afghanistan, Albania, Montenegro, Turkey, Syria, USA and parts of Spain. The complete list can be found under the following link:

https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Transport/Archiv_Risikogebiete/Risikogebiete_01072020_en.pdf?blob=publicationFile

This ruling does not apply to pupils who have a negative corona test which is no older than 2 days before the pupil's return to Germany.

Please sign the attached declaration and return it to your child's form teacher.
